455 Homer Ave Palo Alto, CA

EDUCATION

[Cornell University, Ithaca, New York](#)

Master of Professional Studies, Information Science; GPA: 3.84

Aug 2013 - May 2014

Bachelor of Science, Information Science; GPA: 3.85

Aug 2010 - May 2013

WORK EXPERIENCE

[Apple Inc, Cupertino, CA](#)

Senior Software Engineer, Enterprise iOS App Development

Oct 2017 - Present

Software Engineer, Enterprise iOS App Development

Mar 2015 - Oct 2017

Design and build iOS apps in Swift. Utilize UIKit and Autolayout for look and feel, and Core Data for persistence. Follow Apple's Human Interface Guidelines for design and GitFlow for process. Create CocoaPod frameworks for use in multiple apps. Mentor junior developers, prioritize and assign development tasks, and perform code reviews.

Software Engineer, Apple Online Store UI Engineering

Sep 2014 - Mar 2015

Contributed to the Apple Watch buy-flow. Utilized HTML, CSS, and Can.js.

Software Engineering Intern, Apple Online Store UI Engineering

May 2013 - Aug 2013

Built a data visualization tool using HTML, CSS, D3.js, Node.js, and WebSockets.

[Ithaca Innovation, Ithaca, NY](#)

Co-Founder

Apr 2011 - May 2013

Co-founded web and logo design company. Developed websites for businesses and student groups.

[GE Transportation, Erie, PA](#)

Software Engineering Intern

May 2012 - Aug 2012

Built a software portal for GE customers. Designed responsive interfaces optimized for desktop and mobile.

ACADEMIC EXPERIENCE

[Cornell University, Ithaca, NY](#)

Graduate Researcher, Relmagination Lab

Aug 2013 - May 2014

Led team of students to build Achieve, a social application designed to help individuals achieve their goals. Presented findings at CHI 2014 and CSCW 2014 research conferences.

Teaching Assistant, Introductory and Intermediate Web Design Courses

Aug 2011 - Dec 2013

Taught weekly web development recitation classes. Held office hours and graded students' assignments.

President, Information Science Student Association

Aug 2012 - May 2013

Organized professional, social, and academic events for Cornell's Information Science community.
